MANY BUSINESSES ARE STRUGGLING DURING THESE UNPRECEDENTED TIMES.

YOU CAN HELP BY SUPPORTING OUR BEAUTIFUL COUNTRY TOWNS WHEN YOU VISIT.

Day 1. This morning we will make our way north via Yanchep and Two Rocks, pausing along the way for our traditional Club 55 morning tea.. Our journey continues onto Guilderton with some excellent commentary on the history of the area and the famous ship wreck The Guilt Dragon. Our next stop will be Lancelin where you will have some free time to purchase some lunch from the local bakery. After touring the town we now start our journey through to Cevantes and our accommodation for the night the Cevantes Pinnacles Motel. Here you will have your evening meal and a full cooked breakfast in the morning.

Day 2. After a hearty breakfast we will make our way out to the magical Pinnacles in the Nambung National Park. We will have our morning tea here before some free time to have a wander and to explore the area. After checking out the Pinnacles there is a great visitors center. Cevantes is renowned for its Crayfish. We now make our way out to the Lobster Shack where you can purchase yourself some lunch from their extensive menu, something to suit all tastes and budgets. You may also wish to go on the Factory Tour of their state of the art processing plant and see how the Crayfish are prepared for their long journey to countries all over the world. Time to start on our return journey home. We stop in Lancelin along the way before continuing onto Perth
