Day 1. This morning we will make our way via Mundaring where we will pause for our Club 55 morning tea. Our journey continues via the historic town of York where we will tour the historic town before arriving at Greenhills, that forgotten historic town which once had a population of 2,000 souls. We will settle in at the lovingly restored and award-winning Greenhills Inn for a good, old-fashioned 2 course lunch. We continue on our journey through the vast wheatbelt and the magnificent Canola crops as we make our way out to Hyden and our overnight stay at the Hyden Motel (Dinner, bed and breakfast)

Day 2. After a hearty breakfast we will make our way out to Mulka's Cave where Chris will entertain you with his Didgeridoo. On now to see the impressive Wave Rock and Hippos Yawn. Some free time now at the Wildflower Shop where you can purchase light snacks and tea and coffee. Check out the Lace Museum and Tin Soldier Collection. On our return journey we follow the Tin Horse Highway and see all the magnificent sculptures and displays along this very interesting route towards Kulin. We have a stop at the Corrigin Roadhouse where you can purchase light snacks for lunch. Our journey continues via Brookton as we slowly make our way back to Perth.
