cooked breakfast, evening meal.*

Check out their web site at www.abbeybeach.com/resort

Departs 8.10am Perth, 8.40am Mosman Park, 9.10am Cockburn Central

Day 1. We make our way south via the South West Highway with a stop in Pinjarra for our traditional Club 55 morning tea. Some free time to have a look around before continuing via Waroona and Harvey and into Bunbury for some free time to purchase some lunch. Our journey continues south via the Tuart Forest, Wonnerup and the Port Geographe area. On arrival in Busselton you will have some free time. Plenty of time to maybe take a walk or the train on the famous Busselton Jetty. Our next stop will be your accommodation for the night, the Abbey Beach Resort. Located a short stroll from the shores of Geographe Bay. Time to relax and enjoy the impressive facilities before enjoying our dinner in the restaurant at 6pm.

Day 2. Breakfast will be from 7.00am. Our coach will depart the resort at 9.15am and we head to Dunsborough to board our boat for our whale watching tour and this magnificent coastline. Naturaliste Charters offer extraordinary Dunsborough Whale Watching Experiences. Dunsborough is one of the best places in Australia to sight whales, (voted second best location in Australia in 2018), Each experience is led by a fully qualified marine biologist, whose knowledge and passion for Western Australia's marine wildlife is unequalled in the industry. After our magnificent experience with the whales we will stop in Dunsborough to give you an opportunity to purchase some lunch from the many bakeries and cafes in town. Time now for us to start our journey back to Perth, travelling along the Forrest Highway with a stop for an ice-cream break along the way.
