REVIVE WA

MANY BUSINESSES ARE STRUGGLING DURING THESE UNPRECEDENTED TIMES.

YOU CAN HELP BY SUPPORTING OUR BEAUTIFUL COUNTRY TOWNS WHEN YOU VISIT.

Day 1. We make our way south to Pinjarra for our morning tea and some free time to maybe visit the local op shops or arts and craft center. Travelling via South Western Highway you will travel via Waroona, Harvey and Brunswick Junction and Bunbury with full commentary along the way. Our journey continues via the Tuart Forest, Wonnerup and the Port Geographe area. On arrival in Busselton you will have the remainder of the afternoon to browse some of the many shops and purchase some lunch. Plenty of time to maybe take a walk or the train on the famous Busselton Jetty. Our next stop will be your accommodation for the night, the Abbey Beach Resort. Located a short stroll from the shores of Geographe Bay. Time to relax and enjoy the impressive facilities before enjoying our dinner in the restaurant at 6pm.

Day 2. A relaxing morning this morning. Breakfast will be from 7.00am. Our coach will depart the resort at 9.30am. We do a short tour down to Dunsborough and the magnificent coastline around Eagle Bay and Meelup including the impressive Sugarloaf Rock. We stop for an opportunity to buy some lunch in Dunsborough. The local bakery is a top spot. Time now for us to start our journey back to Perth, travelling via Australind and along the Forrest Highway with a stop for an ice-cream break along the way. Dropping off at Marcus Avenue, Booragoon, Wellington Street Perth and Bassendean Train Station.
