**Booking: Book online at [www.club55.com.au](http://www.club55.com.au) or phone 0434 439 983**

**ITINERARY**

**Day 1.** We make our way south along South West Highway. We will stop in Pinjarra to enjoy our picnic morning tea at the historic Edenvale Homestead with some free time to visit the local arts and crafts shop or even the local op shops. Our journey continues via Waroona and Harvey with excellent commentary on the history of the local towns as we make our way towards Bunbury via Australind where we will take the scenic drive along the Leschenaultia Inlet, pointing out Saint Nicholas Church, the smallest church in Western Australia. On arrival in Bunbury we will have some free time to purchase some lunch. After lunch our journey continues onto Busselton and your accommodation for the next three nights at the very comfortable Abbey Beach Resort. Here you will enjoy your evening meals and breakfast each day.

**Day 2.** After a hearty full cooked breakfast, we travel directly to Nannup for the 2022 Nannup Flower and Garden Festival. Nestled beside the beautiful Blackwood River, Nannup's unique charm and relaxed county lifestyle is a perfect place to visit. We visit Holberry House where we will enjoy our picnic morning tea. Free time to explore its beautiful gardens and sculptures. We now make our way into Nannup and the Nannup Garden Village where you will have plenty of time to enjoy and explore the many activities of the festival and delight in the many floral displays and get yourself a bite to eat for lunch from the many outlets before slowly making our way back to Busselton.

**Day 3.** A leisurely day today as we sample some of the produce that the Margaret River region is famous for, including Chocolates, Nuts, Dairy and Wine. Free time in Margaret River to purchase some lunch and to explore the town area and maybe find that special gift or souvenir. Our final stop for the day will be Anniebrook Wine and Flower Emporium, where you can browse their huge range of gifts and produce and even sample some of their delightful wines.

**Day 4.** Yet another hearty full cooked breakfast before boarding the coach and departing on our final day of adventure. This morning we go to Canal Rocks, a magnificent spot and a great place to see the ocean's power as the waves pound over the rocks. We stop to view this incredible coastline. Continuing via Yallingup, one of West Australia's top surfing beaches, a scenic drive to Eagle Bay and Meelup Beach, some of the state's most beautiful and scenic beaches and passing through Dunsborough. Next stop will be Busselton where we will stop on the foreshore and have some free time to purchase some lunch. Continuing back towards Perth before making our way up the Forrest Highway back to Perth. Arriving back around 4.30pm.
