6 Day Mural and Silo Trail & South Coast Explorer

Departs: Thursday 3rd November

ONLY \$1,590.00 SINGLE SUPP \$295.00

Day 1. Perth to Hyden. We make our way out into the Avon Valley where we will visit the Northam Silos before arriving in Northam where we will enjoy our morning tea. Our journey continues to Cunderdin where we will visit the Number 3 Pumping Station part of the pipeline designed by our famous state engineer of the time CY,Oconner. Our next stop will be Merredin where we will view our second silo for the day and a chance to purchase some lunch. The final leg of our journey today will take us to Hyden where we will stay for the next two nights at the comfortable Hyden Motel and a well deserved rest and a lovely buffet evening meal. **Overnight: Wave Rock Motel, Hyden**

Day 2. Hyden After a tasty full buffet breakfast we will explore one of Western Australia's top tourism spots the famous Wave Rock. The owner of the Hyden Motel will join us and give you some great insights into the area and a tour around the base of this spectacular formation, including Hippos Yawn. This giant wave of multi-coloured granite will take your breath away. After exploring the area its just a short stroll to the Wildflower Shop, Visitor Centre, Wildlife Park, Lace Place and a Souvenir Shop. Free time to take it all in and maybe purchase yourself a bite to eat for lunch. Before returning back to the motel and some afternoon relaxation before another scrumptious dinner. **Overnight: Wave Rock Motel, Hyden**

Day 3. Hyden to Albany. Our journey through the remote central wheatbelt continues as we explore more of the silo trail. Passing through the remote fringes of the wheatbelt and checking the silo art in Newdegate and Pingrup before a magnificent drive to Albany via the magnificent Stirling Ranges and the Porongurup ranges. **Overnight Motel Le Grande**

Day 4. Albany to Denmark. After a hearty cooked breakfast we make our way to the quint little township of Denmark. Here we will visit the Ocean Beach lookout, Williams Bay and the magnificent views over Greens Pool. Time now to visit The Lake House Denmark for lunch and an opportunity to sample some of their produce and wines before slowly making our way back to Albany. **Overnight Motel Le Grande**

Day 5. Albany. After another hearty breakfast we will start on our sightseeing tour around Albany. Locations visited will include The Gap, Jimmy Newells Harbor, The Wind Farm, Mount Clarence and the Albany Silos. You will have free time in the afternoon to purchase some lunch in the center of Albany and to explore the place and maybe pick up a special gift or souvenir . **Overnight Motel Le Grande**

Day 6. Albany to Perth. Sadly our last day today. After a great breakfast we load the coach and start on our journey home via Albany Highway. We stop in Kojonup where we will enjoy our picnic morning tea and an opportunity to visit the Kodja Place & Kojonup Visitors Centre. The Kodja Place tells you the inside story of Australian Country life in ways that will move and delight you. We now continue onto Williams for a light lunch at the Williams Woolsheds before making our final part of our journey back towards Perth
