CLUB 55 TRAVEL CLUB AUTUMN NEWSLETTER

**“There are no strangers at Club 55,
just friends you are yet to meet”**

After a long and very hot summer it is great to see this lovely Autumn weather with cooler days and nights. The first of our extended tours for the year is fast approaching with a great four day break down to Margaret River, Augusta and Busselton. Very comfortable accommodation at Stay Margaret River and you won't go hungry. I love this part of our South West, so much to see and do and magnificent scenery. Come and join Chris for this great tour.

We are proud to bring you our 2024 tour program. As always, we plan to take you all over the countryside and visit the best that our beautiful part of the world has to offer. We have made a few minor changes to our pickup runs again. Most of you are already aware that the Perth pick up location has moved to the Corner of James and Beaufort Street outside the Boola Bardip Museum.

We highly recommend that after you have worked out which tours that you would like to go on throughout the year, please book them all at the same time. This gives us an indication as to how much interest the tour has. To be fair to our suppliers and venues if the interest is not there, we will cancel the tour so as to give the venues the opportunity to book it out to someone else. As you are aware payment is not required until 2 weeks prior for day tours and 30 days for extended tours. It is preferred that our customers use our online booking service to book and pay for tours wherever possible. You can book your seats on as many tours as you like. You will receive an email reminding you that the payment is due and a link where you can pay for your tour online or by calling our office. If due to unforeseen circumstances, you can no longer join us on tour, please advise our office as soon as possible so we can release your seat to other members. If you are not able to use our online booking programme you can call Tanya in the office between 9am and 2pm. At times the office can be very busy so please leave a message if you are unable to get through and Tanya will call you back.
